Awards from Clarksville Riverfest juried Competition,  
Hopkinsville Juried Art Exhibit  
Mid-Cumberland Art League juried competition

After a twenty-year Air Force career interrupted my budding art illustrating work out of college, I returned to my first love, painting in 1986. I found myself teaching art in high school and free-lancing with murals, portraits, gilding, and painting of all kinds in the mid-Tennessee region. Now that I have retired and moved to Bluffton, I would like to continue instructing and painting with oils, acrylics and watercolor.
